

NO THIN' BUT NET

Epilepsy Awareness Game and Skills Competition

December, 2016 – April, 2017

We are asking youth and adult basketball teams and leagues around the country to host an Epilepsy Awareness game with a halftime skills competition or 3-point shooting contest! Your efforts will raise much needed funds and awareness on behalf of the 3 million people and 460,000 children in the United States who live with epilepsy.

Here's how it works:

It's so easy and so much fun!

- **Donate to the Cause!** Ask friends, family and your community to make a donation to the Epilepsy Foundation's Athletes vs Epilepsy initiative. Either by check or make a donation to your school's/team's fundraising page that you will create through Athletes vs Epilepsy.
- **Show Your Purple Pride!** Ask your team, cheerleaders, student body and fans to wear purple to the game.
- **Nothin'-But-Net!** Plan out your skills competition or 3-point shooting contest:

Questions to Ask:

1. How many participants?
2. How do we select the participants – by Fundraising totals?
3. What is the prize/recognition for winning the competition (baskets made vs. highest fundraiser?)

Here's what you need to do:

3 Steps to get your Nothin'-But-Net Fundraiser on the board!

1st! Get approval from your Athletic Department and or head coach.

- Confirm the event date, time and location.
- Ask the opposing team to participate.

2nd! Register your event on www.AthletesVsEpilepsy.com (click the purple registration button).

- Tell us a brief story about your school/team and why you are hosting the event. Additional information, can be found on www.athletesvsepilepsy.com
- Add photos of your team, school and of course, yourself!
- Most important! Tell people how they can participate and donate! Once, you have registered your event, you will receive access to a Nothin'But-Net toolkit with resourceful information to help you plan and manage your event. (Located in the resource section at the top of your fundraising page.)

3rd! Spread the Word!

- Email the link to your event fundraising page to everyone you know.
- Post flyers to promote your Nothin'-But-Net Epilepsy Awareness game around your school, neighborhood and community. Create your own flyer or use the flyer template provided in your toolkit.

Use this “Nothin'-But-Net” planning document to help you present your fundraising idea and plan to your school administrators or team coaches.

We are so excited that you want to make a difference in the lives of so many. If you have any questions, please feel free to contact Nichole Manning-Ashe at nmanning-ashe@efa.org.

Thank you again for your support of the Epilepsy Foundation and Athletes vs Epilepsy.
